STATEMENT OF ADDITIONAL  
GROUND FOR REVIEW

I, Jeffrey Palmer, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

During my entire encounter with the arresting officer, there was also a "Ride Along" present with him. He was there when the arresting officer arrived on the scene at the hospital, he rode with us to the jail, he escorted us in the jail to use the bathroom, he went back to the hospital with us and was present during my entire arrest. During trial I brought it to the court's attention that the "Ride Along" was not present in court and that when the arresting officer was on the stand he failed to mention that he had a "Ride Along" present.

Additional Ground 2

My attorney and I requested that this "Ride Along" be located because he was an important person in this trial. The judge decided that he did not need to be involved even though my attorney and I requested his testimony. He was a witness I wanted to introduce but was denied by the judge. Also, the arresting officer told me when I was in his car, "You deserve to be in jail and I'm going to let you with every charge I can." When asked on the stand if he said this, his reply was, "I may have said that, I don't remember."

If there are additional grounds, a brief summary is attached to this statement.
